NEW 2018 - Printmaking Marquee 20

This year we welcome Printmaking to the festival. Once you have been inspired by the talented printers there is a supplier of print materials on hand to offer advice and point you in the right direction if you want to take home the materials to have a go yourself...

Our programme of Guest Artists includes favourites and those we are pleased to introduce to the festival. An opportunity to informally meet and see well known celebrity artists at work. We would mention the sad loss of Pollyanna Pickering, who died earlier this year, a great friend to Patchings. Pollyanna is represented by her daughter Anna-Louise.
