REGISTRATION FOR PATCHINGS A5 CHRISTMAS EXHIBITION 2018

An opportunity to paint for a selling exhibition in the Barn Gallery at Patchings. No selection process, all work submitted to be exhibited allowing others to enjoy your creativity.

We invite artists and photographers to take part in our annual Christmas exhibition by producing an A5 size work on a specially prepared board. The exhibition will open with a preview on Sat. 1 December.

We will prepare the surface for your work, introducing a slightly different approach to the process. For the painter, the new surface creates a versatile support for your painting. There are alternative finishes available depending on your choice of media.

For the photographer, you are asked to provide your image digitally allowing us to print and mount your image on to board for display.

All works submitted will be exhibited unframed and visitors will be able to purchase off the wall during the exhibition. The exhibition in the Barn Gallery at Patchings is from 1 December to 24 December 2018
Do join us on Saturday 1st December from 11am to 1pm for the Preview in the Barn Gallery.

There is a small handling charge to include the A5 board for your work, postage if required, administration and hanging the exhibition. **No commission** added to your selling price. All work received will be entered into a prize draw for art materials. There will also be two prizes for work chosen by a guest professional artist and a vote for a favourite entry by the Patchings Team.
