

## PUBLIC TRANSPORT FROM NOTTINGHAM CITY CENTRE TO PATCHINGS

The directions to Patchings are as follows:-

If arriving at Nottingham by train, take the tram from Nottingham railway station as far as the city centre to the Theatre Royal and Concert Hall stop.

Otherwise the Theatre Royal is a very short walk from Nottingham Market Square and the Council House. Within the Council House building is the Nottingham Tourist Information Centre for any additional assistance.

The Nottingham to Calverton bus stop is outside the Blue Bell Inn across the road from the Theatre Royal. The bus is called the **Calverton Connection or CC**. It runs every 15 minutes during the daytime.

You need to leave the bus once it has arrived at Calverton at bus stop number 1 which is on Collier Road near Park Road Calverton.

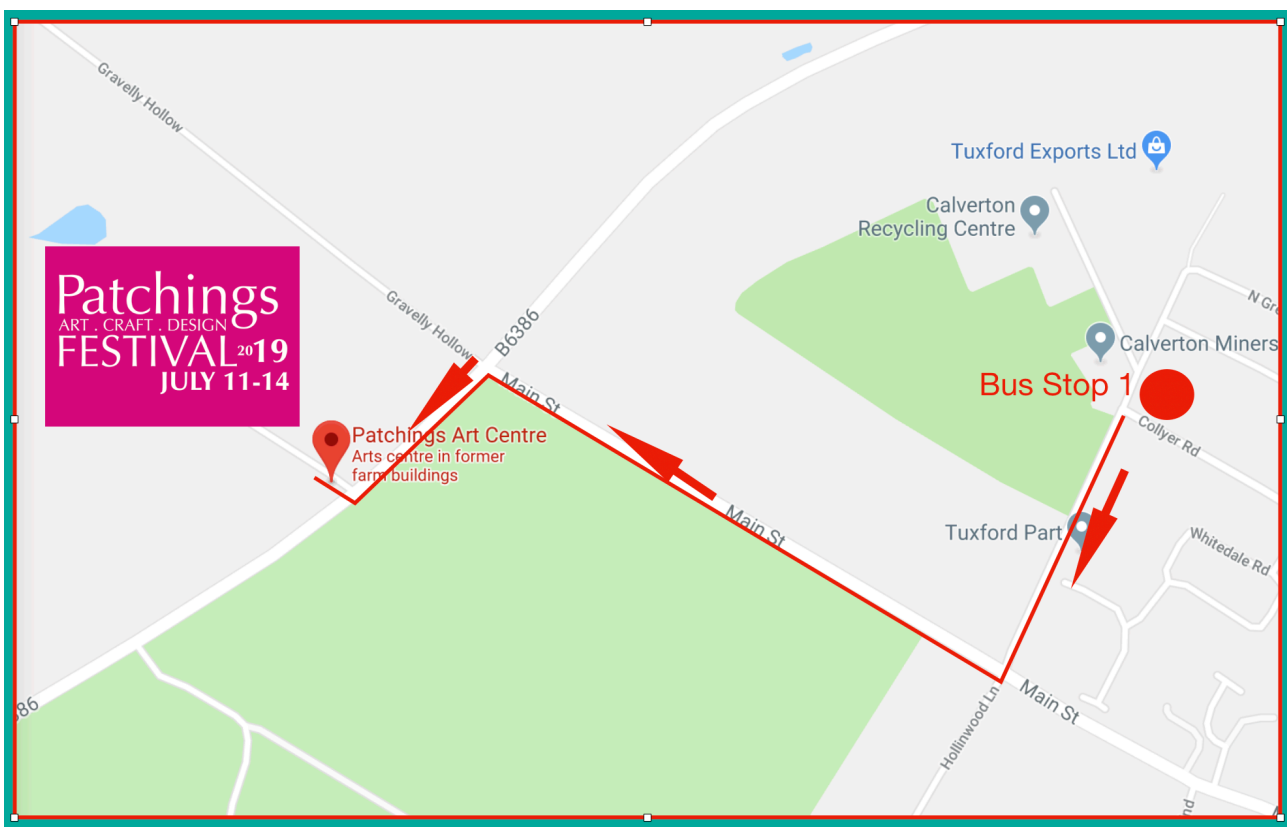

Walk back towards Hollingwell Lane with the allotments on your left past the new housing estate. At the T junction this is Hollingwell Lane. Turn left with the Top Club opposite.

Continue to the next T junction and the turn right on to the main road (Main Street) and walk down the hill with the Ramsdale golf course on your left. There is a grass verge for this last part of the walk, otherwise there is a pavement.

When you arrive at the crossroads at the bottom of the hill this is Oxtan Road. Turn to the left. Patchings is on the opposite corner. The entrance to Patchings is 100 yards on the right hand of the road.

The walk as a whole will take around 15 minutes. The bus journey about 40 minutes.

Please see the map below for further information with the walk from the bus stop shown in red.
